

Welcome to Asian Consumer and Family Economics Association(ACFEA)

Call for Papers

THE SCOPE OF THIS CONFERENCE

After 40 years of reform, China has been successfully developed his economy, the largest one next to USA in the world. For improving the future development of China's economy, the central topic of the conference is to fulfill the "High-Quality Development of China's Economy in the New Era". We would like to broadly invite researchers to submit original micro- and macro-level studies to this conference. Professionals in (but NOT limited to) the following fields are welcome to submit extended abstracts, full papers, poster proposals, and panel proposals addressing empirical, theoretical, methodological, pedagogical, and policy issues as they apply in the context of (NOT limited to) China's economy.

Development Economics

Financial Economics/ Microfinance

Regional Economics

Labor Economics

Consumer Economics

International Economics

Family Economics

Real Estate Economics

Public Economics/ Taxation

Institutional Economics

Monetary Economics

Transitional Economies

Health Economics

Gender Economics

Demography/ Population Economics

Human Resource

Environment Economics

Welfare Economics

Educational Economics

Industrial Economics

Econometrics

Innovation and Growth

We also welcome you to organize panels for special issue of *Singapore Economic Review* and *Journal of Consumer Affairs*, respectively, if articles are not really closed to the main theme of this conference but related to the main themes of these two special issues as mentioned below.

Although English is the only language for your presentations in this conference, **Chinese papers and presentations are also acceptable this time** for encouraging more Chinese scholars who are more comfortable in speaking Chinese to attend this conference. Therefore, if you want to present papers in Chinese or to propose Chinese panels, please put a note on your submissions and proposals. **However, only papers written in English can be considered as submissions to the two special issues.**

PUBLICATION OPPORTUNITIES

All papers presented in the conference will be published in the electronic proceedings. In addition, authors of papers that are written in English and outstanding in quality and content will be very welcome to submit their works to special issues of the following two excellent journals:

Singapore Economic Review (Indexed in SSCI)
Special Issue: China's Future Economy: Challenges and Development
Guest Editor: Dr. Jr-Tsung HUANG (National Chengchi University)
ISI Impact Factor: 0.533
ISSN: 0217-5908

Journal of Consumer Affairs (Indexed in SSCI)
Special Issue: Consumer Well-being in Asia
Co-Guest Editor: Dr. Jing Jian XIAO (University of Rhode Island)
ISI Impact Factor: 1.86
ISSN: 1745-6606

Note: Articles presented in this conference will be favorable for above two special issues.
